Report from San Antonio

Volume 3

During the last few months, **La Casita** has been a very busy center of action and learning. A temporary kitchen was built and construction of the new kitchen and learning space is in full progress. There has been a workshop given by the Municipality on bullying. The mothers are enjoying sewing classes, The children participated in activities focused on the environment for Earth Day. The Ancianas celebrated Mother's Day. And, a workshop was given on birth control family planning.

Lidya works with the students on their computer skills

Veronica makes teaching English to these eager students look easy!

The children's mothers were invited to participate in a sewing class given by Ana Olivia. Encouraging the women of the village to develop new skills has also helped develop their awareness of the importance of education for their children.

The San Antonio Palapo Municipality sponsored a workshop on bullying for the school children. Bullying has been an issue in the community for a while and needed to be addressed. It was held at **La Casita** because it is known to be a safe environment.

The children participated in Earth Day by helping to clean the beach and planted trees to stop erosion along the shore.

The Ancianas celebrated Mother's Day in a grand fashion!

La Casita has developed into a center for learning, nourishment, and pride for the whole community.
